

Informatica

To: All interested parties
From: Brad Lewis, Director Informatica UK
Subject: Informatica's Statement on Slavery and Human Trafficking
Date: October 28, 2019

Slavery, servitude, human trafficking, forced or bonded labour and other kinds of slavery ("Modern Slavery") are unacceptable in modern society in any form. Informatica has a zero-tolerance approach to any form of Modern Slavery. As the industry leader in the Enterprise and Cloud Data Management software market, we are committed to acting ethically and with integrity and transparency in all business dealings. We have controls and systems in place to safeguard against modern slavery within our business and supply chain.

Sincerely,

Brad Lewis
Director, Informatica UK
Chief Legal Officer and Senior Vice President, Informatica
