

Cloud-First Journey Discovery Session

Complimentary 90 min workshop to help you get started

Goal: Receive recommendations from Informatica Implementation architects to start a successful Cloud-First Journey

Activities: A focused discussion on the following:

- Discuss customer's key business drivers for cloud initiatives and existing solutions
- Discuss Informatica Cloud Reference Architecture and the Informatica capabilities available to support your journey
- Receive a concise customized recommendation plan and next steps to kick-start your Cloud-First Journey

Deliverables:

- Cloud Reference Architecture
- Customized Recommendations(Technology and Services) & Immediate Next Steps

Audience: Anyone who has a Cloud-First strategy and would like to know more about Informatica's capabilities and where they should start

Pre-requisites: Participants should be prepared to discuss their organization's business imperatives and current state environment

Scheduling: Contact your Informatica Account Rep or email StrategicServices@Informatica.com
